PROFESSIONAL SUMMARY

Results-driven Full-Stack Web Developer with hands-on experience in Next.js, React.js, Node.js, and Strapi CMS. Proficient in building scalable, responsive web applications with clean UI/UX design, RESTful API integration, and dynamic backend services. Experienced with PHP, MySQL, and modern JavaScript ecosystems.

TECHNICAL SKILLS

Frontend: Next.js, React.js, HTML5, CSS3, JavaScript (ES6+) , Tailwind CSS
Backend: Node.js, PHP, Strapi (Headless CMS), REST APIs
Database: MySQL
Tools & DevOps: Vite, VS Code

PROJECTS

Mokr – Food Ordering App | *Full-Stack Project* **Feb 2026**

- Developed a full-stack food ordering web application using Next.js for SSR/CSR frontend and Strapi as a headless CMS backend.
- Integrated responsive UI with efficient data fetching, API integration, and dynamic routing for seamless user experience.
- Managed dynamic content, user authentication, and backend services through Strapi ensuring scalability and smooth performance.

Save Smart – Finance Tracker | *Full-Stack Project* **Mar 2026**

- Built a full-stack personal finance tracking application using Next.js (frontend) and Node.js (backend).
- Implemented complete CRUD operations via HTTP methods (GET, POST, PUT, DELETE) for managing financial records.
- Integrated external APIs for dynamic data handling, including real-time financial data and notifications.

Track Flow – Traffic Update App | *Frontend Project* **Jan 2026**

- Built a responsive traffic update web application using React.js and Vite with a professional hero section and clear primary/secondary CTAs.
- Designed clean, modern UI using CSS with optimized layout for seamless experience across mobile and desktop devices.

Sign Language Interpretation Interface | *Frontend Project* **Feb 2025**

- Optimized an inclusive web-based platform using HTML, CSS, Bootstrap, and JavaScript to promote accessibility and communication.
- Integrated short scrollable videos for learning basic sign language, enhancing user engagement and ease of understanding.

EDUCATION

Master of Computer Application (MCA) | *Lovely Professional University* **Aug 2023 – May 2025 • Phagwara, Punjab**

Bachelor of Computer Application (BCA) | *Gulzar Group of Institutes* **Jul 2020 – Jun 2023 • Khanna, Punjab**

Intermediate (10+2) | *Jain Public Senior Secondary School* **Apr 2019 – Mar 2020 • Ludhiana, Punjab**

CERTIFICATIONS

- Web Development – Internshala
- Programming in JavaScript – Coursera

ACHIEVEMENTS

- 3rd Prize in Technical Quiz – Campus Olympiad
- 3rd Place in Cloud Computing Symposium (Security & Privacy track)
